**FINDINGS OF FACT AND CONCLUSIONS OF LAW IN SUPPORT OF ORDER  
AWARDING TO RIEMER & BRAUNSTEIN, LLP, ATTORNEYS FOR DEBTOR, FOR  
ALLOWANCE AND PAYMENT OF FIRST INTERIM COMPENSATION AND  
REIMBURSEMENT OF EXPENSES**

*\$11,026.42*  
TOTAL FEES REQUESTED: \$ 249,037.50 TOTAL COSTS REQUESTED: \$ 8,770.34  
TOTAL FEES REDUCED: \$18,543.45 TOTAL COSTS REDUCED: \$ 1,684.76  
TOTAL FEES ALLOWED: \$230,494.05 TOTAL COSTS ALLOWED: \$ 7,085.58  
*TAB*

*\$238,411.03 AB*  
**TOTAL FEES AND COSTS ALLOWED: \$237,579.63 \$ 245,096.61** *TAB*

The attached time and expense entries have been underlined to reflect disallowance in whole or in part. The basis for each disallowance is reflected by numerical notations that appear on the left of each underlined entry. The numerical notations correspond to the enumerated paragraphs below. Riemer & Braunstein, LLP is authorized to pay itself from the retainer in the amount of \$34,500.00, and Riemer & Braunstein, LLP is authorized to be paid the remainder of the fees and expenses from the carve out proceeds of the sale approved on September 28, 2018. *TAB*

**(1) Lumping – TOTAL of disallowed amounts (10% of affected entries): \$ 15,033.95 *\$ 7,516.97* *Not Subject to Lumping***

The Court may impose a ten percent penalty on entries that appear to be "lumping." The Court will reduce each entry marked as such per the penalty. *In re Wildman*, 72 B.R. 700, 709 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) ("Applicants may not circumvent the minimum time requirement or any of the requirements of detail by "lumping" a bunch of activities into a single entry. [citation omitted]. Each type of service should be listed with the corresponding specific time allotment."). Entries that lump communications and tasks together without parsing time spent on each communication or task do not allow the court to determine whether the time satisfies the rest of the requirements set forth in the Bankruptcy Code. *4pp (cont)*

**(2) Computational or Typographical Error – TOTAL of disallowed amounts: \$ 278.00**

The court denies the allowance of compensation for the following tasks because the amount of fees appears to be a computational or typographical error. Also, where there are two identical

entries (same day, same tasks, same time billed), the court will without further explanation provided consider one of the entries to be a typographical error.

**(3) Insufficient Description – TOTAL of disallowed amounts: \$ 3,231.50**

The Court denies the allowance of compensation for the indicated task(s) as the description of each task fails to identify in a reasonable manner the service rendered. *In re Pettibone*, 74 B.R. 293, 301 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) (“A proper fee application must list each activity, its date, the attorney who performed the work, a description of the nature and substance of the work performed, and the time spent on the work. [Citation omitted] Records which give no explanation of the activities performed are not compensable.”); *In re Wildman*, 72 B.R. 700, 708-9 (Bankr. N.D. Ill. 1987) (Schmetterer, J.) (same). Entries that allege that counsel was working on case status are not sufficient in detail and, without further explanation, are not compensable.

**(4) Unauthorized Work and Expenses – TOTAL of disallowed amounts \$ 84.56**

The Court denies the allowance of compensation and reimbursement of expenses for work done prior to the authorization of retention. *In re Spanjer Bros., Inc.*, 203 B.R. 85, 94 (Bankr. N.D. Ill. 1996) (Squires, J.) (“The Court will not retrospectively allow any of the time expended prior to the time of the authorized retention because to do so would be to reward any delay or tardiness in promptly seeking retention. To allow bootstrapping of objected to fees paid at the expense of unsecured creditors undermines the policy in favor of prompt application for retention by professionals who will be seeking compensation from the bankruptcy estate. See generally 11 U.S.C. § 327 (prerequisite to the allowance of any fees or expenses that professional be employed); *In re Peoples Sav. Corp.*, 114 B.R. 151, 154 (Bankr.N.D.Ill.1990) (‘In the absence of a court order approving the Applicant’s employment, there is no statutory basis upon which the Court can make a fee award.’)”).

**(5) No Benefit to the Estate – TOTAL of disallowed amounts: \$ 62.70**

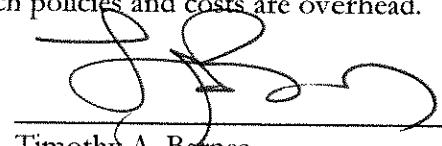

The court denies requests for fees relating to services that do not benefit the estate or that are not necessary to the administration of the case. 11 U.S.C. § 330(a)(4)(A). An attorney’s internal work prior to retention to determine whether the attorney’s firm satisfies the disinterestedness requirement of section 327 of the Bankruptcy Code does not provide benefit to the estate and is not compensable. Without appropriate explanation, in town transportation, when counsel is not commuting to another town for a hearing, are not necessary and not beneficial to the estate.

**(6) Overhead Costs are Non-Compensable – TOTAL of disallowed amounts: \$ 1,537.50**

The Court denies reimbursement for fees or expenses that are overhead costs. Expenses which are overhead are not compensable because they are built into the hourly rate. See *In re Wildman*, 72 B.R. 700, 731 (Bankr. N.D. Ill. 1987) (Schmetterer, J.). Overhead, for bankruptcy purposes, includes “all continuous administrative or general costs or expenses incident to the operation of the firm which cannot be attributed to a particular client or cost.” *In re Convent Guardian*

*Corp.*, 103 B.R. 937, 939-40 (Bankr. N.D. Ill. 1989) (Sonderby, J.) (*quoting In re Thacker*, 48 B.R. 161, 164 (Bankr. N.D. Ill. 1985) (Toles, J.)). Compensation to clerical staff for overtime is based on staff's allocation of work and, without appropriate explanation, is necessarily attributable to one case versus the rest of the assignments it worked on that day. Such policies and costs are overhead.
